(Beware that this post might get a little s4d)

hey.
As you know, the forums are shutting down at the end of March. I have no idea if you are moving to home base(I myself will have to wait and see if they have a mobile site) but I still wanted to give you this message. Crow, you haven't known this, but you have helped me through the hardest times of my life. I thank you for just straight accepting who I am: just a random, ADHD-fueled forumer. You always looked on the bright side of life, and you helped me do that as well. I know you are going to do great things, and if I never hear from you again, well then Stay Strong Comrade.

i'll see you somewhere in the cosmos. If you decide to come down to MD, I'll be there.

hugs Crow, not wanting to let go

Home Base has a mobile app. If you get that, or even Spirit Animals, then we could hang out!

YESSSS

Maybe we could set up a time to chat, since we know we're in the same time zone. Is there a time this week that'll work for you?
